Colonel Gerald E. Jorgenson  
 Chief, Community Relations Division  
 Office of Information  
 Department of the Air Force  
 Washington, D. C.

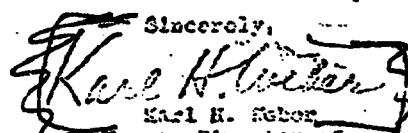

Attention: SAESIC

Dear Colonel Jorgenson:

Consideration has been given to your request of 27 July 1966 for the declassification of the "Report of the Scientific Panel on Unidentified Flying Objects." The Office of Scientific Intelligence feels that the report, as originally drafted, cannot be downgraded. As an alternative, an unclassified version has been prepared which omits names of personnel and participating organizations, and we are agreeable to the release of this version. It should be noted that permission for release has not been obtained from persons or organizations involved in the original panel report, and that the panel members themselves agreed only to the release of the edited summary and conclusions indicated by Mr. P. G. Scronce in his 29 December 1967 memorandum to AFHQIN.

We are most anxious that further publicity not be given to the information that the panel was sponsored by the Central Intelligence Agency. Further, we cannot authorize the listing of personnel participating in the discussions in any unclassified releases.

Sincerely,

  
 Karl H. Heber  
 Deputy Director of  
 Scientific Intelligence
